Who We Are:

Practical Data Solutions (PDS) is a rapidly growing, nationally recognized healthcare reporting company. Since 1995, PDS has partnered exclusively with healthcare organizations to design, build and support state-of-the-art technologies employing best practices for data warehousing, business intelligence, analytics and dashboard reporting.

At PDS, our clients spend their time working *with* information, rather than working to *get* information. From turnkey cloud analytics to custom data mart design, we have one simple goal – to help our clients leverage data to improve performance and achieve ROI.

For more information about PDS, visit our website at www.pds-online.com.

What We Offer:

- Ample opportunities for growth; a place where you can have a career, not just a job
- Comprehensive training program where you can develop new skills for professional/personal growth
- A casual, stable, professional work environment
- Excellent compensation and benefits package including matching 401(k)

To be considered, please send your resume with cover letter, describing why we should consider you as a candidate to: Careers@pds-online.com

*****E-mail only, no calls or faxes please*****

PDS will only consider serious candidates who most closely match the qualifications listed.

PDS is an Equal Opportunity Employer.
